LEADERHIP CAMP

Week 1

Week 1 is a week of in-class training that teaches and equips for ministry. Leadership Campers will participate in some teen games and attend teen sessions each morning and evening. Classes throughout the day are taught by Dr. Jim Schettler who will teach a great deal of information, both spiritual and practical. Examples of topics that could be covered are as follows:

- Living a Disciplined Life
- Managing Peer Pressure
- Conquering Bad Habits
- The Law of Consequences
- Developing A Servant
- Steps to Maturity
- Walk right with God

- How God Makes Leaders
- Developing Personal Standards
- Getting a Clear Conscience
- Principles of Authority
- Model Being a Soul-Winner
- Pursuing Purity
- Temptations Everyone Face

Week 2

Week 2 is PACKED with application. While Week 1 teaches and equips for ministry, Week 2 allows campers to transfer their in-class training to hands-on training. LC's will gain experience in various parts of camp ministry. Each LC walks away with a better knowledge of ministry and the hard work that goes into programming and facilitating full-time camp ministry. This program is helpful for teens interested in helping with VBS, Sunday School, and other children's ministries...or even those interested in becoming a future camp counselor!
