Covid Updates

Should any mandates arise that would affect preparations for camp, we will communicate any changes to expectations ahead of time. Please be sure to read the Health Plan (CDP) before attending any winter events.

Recent General Health Questionnaire

The first step in arrival for everyone- whenever you are arriving is turning your Recent General Health Form at registration and having a quick temperature check. We have forehead scanning thermometers. The RGHQ Form can be printed from the Young Adults website or completed at arrival to camp.

Housing Requests

Each church is housed together according to gender. Campers that come as individuals will be housed with another church.

Special Diets

Our kitchen is equipped to provide well balanced meals for all our campers, and we do make accommodations for campers with food allergies. Please inform your church if your camper will need assistance with allergies, including gluten, dairy, lactose, nuts, etc. We cannot accommodate special requests if campers do not have an allergy (such as Vegan/Vegetarian/Keto/Whole30). Campers with these lifestyle choices may bring a cooler with his/her name on it in order for the sponsor to help with preparing meals in coordination with our Kitchen Supervisor.

Visitation

Due to Covid restrictions, we are not accepting visitors during our camps and retreats. In order to maintain a "health bubble," this is a recommendation by our health department.

Camper Early Departure

We understand some campers may need to leave camp early for a variety of reasons. If your camper will need to leave before Saturday afternoon, please contact your church. All campers must first check out of the main camp office with an approved adult. Please bring identification with you.

Dating

No physical contact is allowed between opposite genders. All campers are required to stay in supervised areas.
