## SUMMER 2023

### Spending Money

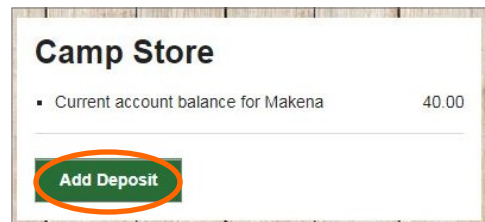

**Camp Wallet** We want our campers to have a fun, safe time at camp. To ensure our junior campers get the most out of their spending money, we do not allow them to carry cash with them throughout the week. All spending money will be collected on Monday, and will be recorded online in their Camp Wallet. Campers can use the money in their Camp Wallet to make purchases at any of the stores.

**Online Deposits** During the online registration process, parents will be given the option to make an online deposit to their children's Camp Wallet. We encourage parents of junior campers to take advantage to alleviate the need for their campers to travel with cash. If parents would like to add funds after they have already completed registration, they can follow these steps:

1. From the home page, **click** on "Summer Camp 2023" under "View my Registrations"

2. The "Camp Store" box will appear in the bottom right corner. **Click** "Add Deposit"

3. Your camper's current wallet balance will be listed. Type the amount you would like to add in

3. Complete the credit card details and **click** "Process Payment"

Account balances update each day. Parents may check their camper's balance at any point in the week to see if they would like to add more funds.

**Wallet Refund** At the end of the week, campers will receive their remaining funds back in the way they paid. Sponsors will be given individual packets for the campers who brought cash. If parents paid online, their camper's remaining funds will be transferred back via their method of payment.
