WOMEN COUNSELING WOMEN

Women Counseling Women is a unique course designed for women in leadership positions who face difficult questions and counseling opportunities. The seminars will significantly benefit those involved in teaching ministries, such as mothers, school teachers, Sunday School teachers, and pastors' wives.

DEBI PRYDE

For the past thirty years, she has immersed herself in ministry through Sunday School, soul-winning, discipleship, visitation, and counseling. Over time, she started speaking at seminars and colleges to encourage fellow Christians in the ministry. She is a certified biblical counselor and has authored numerous books and resources. Her greatest burden is addressing the problems Christian women face today, and her greatest love is ministering to women who have a heart for their friends and families.

COST

Basics: \$199 | Specifics: \$199 | Zoom: \$99

- The price includes the notes.
- Pastors' wives receive \$20 off for every lady from her church who attends in person.

RESOURCES

Many of Debi's books will be available for purchase at the event. Session audio recordings will also be available to purchase at the end of the event.

SPRING BASICS

Basics is taught each spring and is a seminar that teaches the basics of biblical counseling. This course is required before attending any of the advanced Specific Seminars. Each participant will be challenged to understand the biblical basis for women counseling women, the authority and sufficiency of Scripture, the underlying causes of behavior, the steps of helping women who are engaged in sinful life patterns, and the process of gaining real and lasting change.

FALL SPECIFICS

Specifics is taught each fall and is an advanced seminar designed to address specific problems prevalent among women in our churches today. The Specific Seminar is a four-year curriculum. Debi Pryde will take the Scriptures and show how to find help with specific problems. Some areas discussed include eating disorders, rebellious children, step-parenting, depression, and chronic bitterness.
