

For 60+ years, God has used CoBeAc to advance the Gospel and help local churches. As we look to the future, we invite you to partner with us through our **Adopt a Cabin Initiative** to help us complete the next eight Base Camp cabins by summer 2027. **Individuals or churches** can adopt a cabin by picking a specific cabin to donate toward. With the goal of raising **\$25,000 per cabin**, a cabin can be adopted independently or in collaboration with other churches or individuals.
